

STORY BOX HUB

Australia's most celebrated digital literacy platform

At StoryBox, we nurture a love of reading, champion Australian children's literature, and empower every child to become confident readers and lifelong learners.

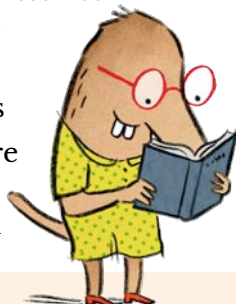

StoryBox Hub is home to StoryBox Library and Story Tools - two powerful resources designed by educators, for educators. We bring the magic of storytelling to life through a dynamic digital platform that inspires creativity and supports curriculum outcomes.

Favourite stories read by our best storytellers

We make literacy fun and inclusive with:

- Hundreds of celebrated children's books and stories
- A large collection of First Nations stories and 88+ Auslan titles
- A Read-Along feature to support fluency and comprehension

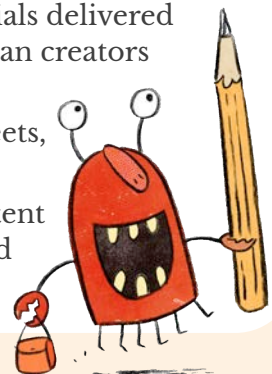

Create storytelling magic in your learning space

We enhance learning and creativity with:

- Engaging video tutorials delivered by renowned Australian creators
- Curriculum-aligned lesson plans, worksheets, and activities
- Expert-designed content to spark creativity and build writing skills

At StoryBox, we make reading a fun and immersive experience for everyone!

StoryBox Hub is the go-to resource for supporting:

- * Language and literacy development
- * Critical and creative thinking
- * Cultural understanding and inclusion
- * Student wellbeing and emotional resilience

“StoryBox Hub story reads spark deep engagement, drawing students into the magic of storytelling like they’re part of the experience. The classroom resources support literacy development in meaningful and practical ways.”
