“A wonderful repository of stories and resources to support our whole system of Science of Reading initiatives. The added bonus is how wonderfully inclusive StoryBox is, with many First Nations creators represented and an ever increasing collection of stories provided in Auslan as well”.

- Anita Gill, Catholic Education Tasmania

Children who were exposed to more storybooks showed a greater inclination to read for pleasure and in turn, had more advanced literacy skills as adolescents¹.

Stories for everyone

Every child deserves to see themselves in a story, and every child deserves to be in an environment where they can truly thrive. From First Nations' Books and Storytellers, to our Auslan Story Time, we make sure every voice is heard and every heart feels welcome.

Educator Resources

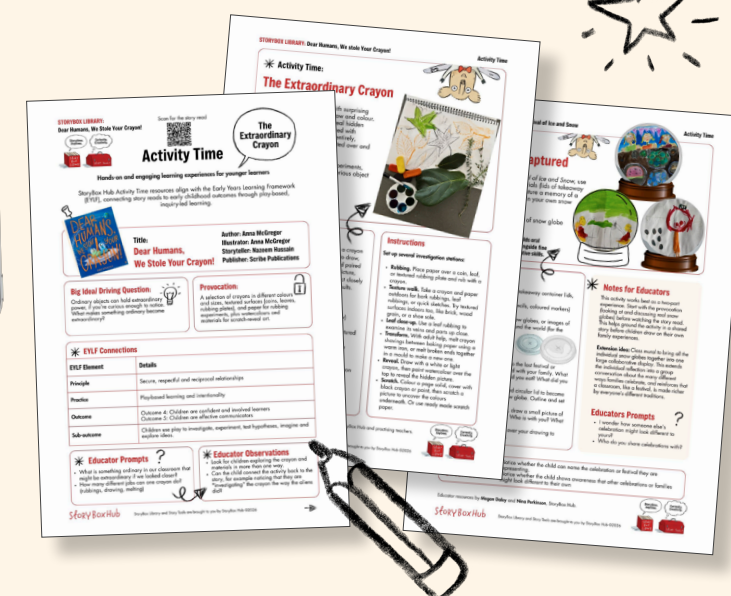

Downloadable resources are curriculum aligned, connecting story reads to early childhood learning outcomes through play-based, inquiry-led experiences.

With all content created in-house, the education team produces resources that support educators and engage young learners.

“StoryBox pairs wonderfully with any of our children’s emerging interests.”

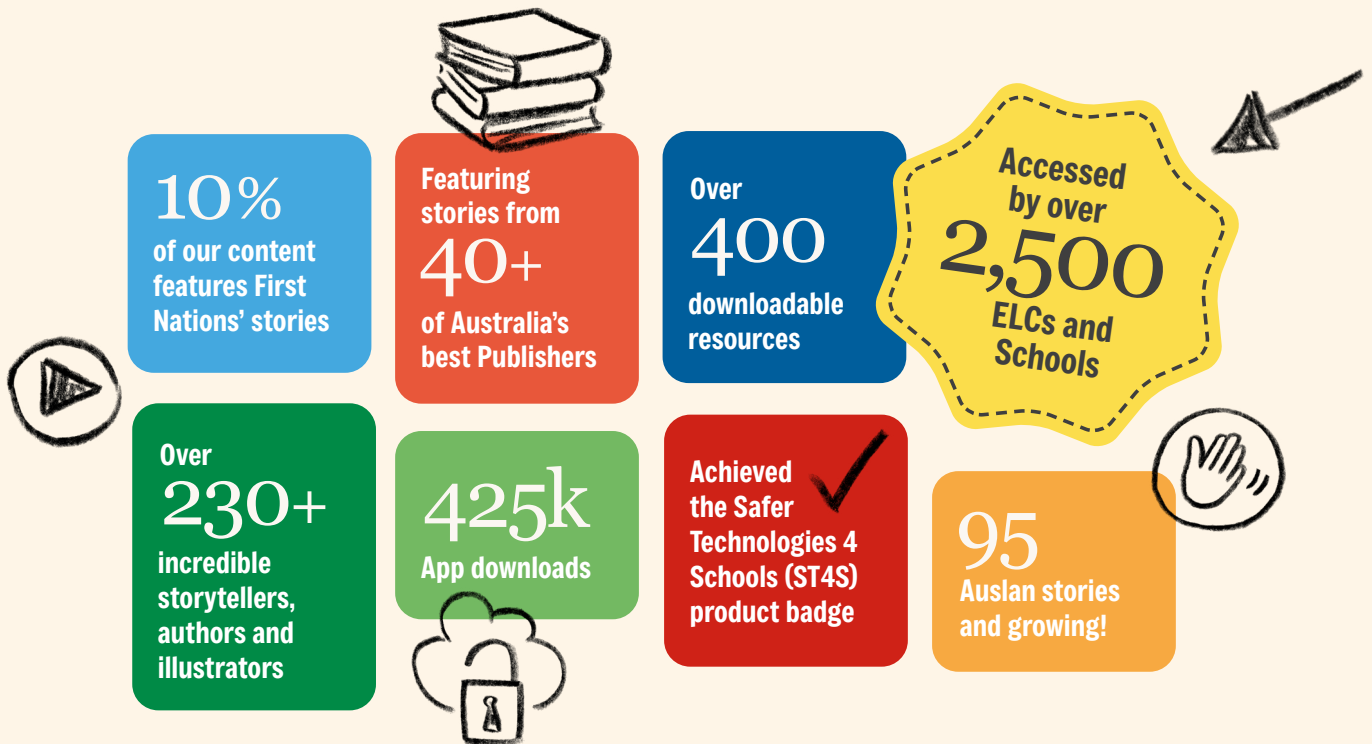

- James Horgan, G8 Education
